

Recertification Application Instructions

(Updated April 2026)

Before starting the recertification application process, please read ALL these instructions.

ALWAYS USE THE CURRENT VERSION OF THE APPLICATION ON CAMTC.ORG. Do not use older versions of the form.

Use the Recertification Application if you are a CAMTC certificate holder with a certificate that will be expiring within 90 days, or that has expired and been maintained in good standing. The Recertification Application form cannot be used for new applicants who have never been certified or those who have not maintained their certificate in good standing. Applications sent using the wrong form will be returned.

We recommend that you apply online. Please use this form only if you have been unable to register and apply using our online system at camtc.org.

If you have never been certified by CAMTC, you must use the correct Application for Certification form (available on camtc.org) and cannot use the Recertification Application form.

Incomplete, illegible or inaccurate answers and information may cause delays in application processing.

Question 1: CAMTC ID & Certificate Number

Enter your CAMTC ID number (if you know it) and certificate number in the fields provided.

Question 2: Your Full Legal Name, Date of Birth & Other Names

Enter your full legal name here. If your identification does not match your name, if your first and last name are not entered in the correct fields, or if there are other name discrepancies then there may be a delay in processing.

Write out the date that you were born or enter it in month/day/year format. For example: September 7, 1998 or 9/7/1998.

If you have been known by any other name since you last submitted an application to CAMTC, please check the "Yes" box and list the other name(s) you have been known by in the fields provided.

Question 3: Home Address & Contact Information

Put the address where you currently live here. Make sure to include an apartment or suite number if applicable.

This address must be the street address where you reside and cannot be a P.O. Box or other mail drop location. Please be aware that it is your responsibility by law to update CAMTC within 30 days if this information changes while your Application is pending or after you have been certified.

Also include your home, work and mobile telephone numbers in the fields provided along with your email address(es) and your Driver's License (or other State identification) number.

Question 4: Is your Mailing Address the same as your Home Address (above) where you live?

If you receive your mail at a different address from where you live, check the "No" box here. This indicates that you do not receive mail where you live. Please provide your mailing address here. Make sure to include an apartment or suite number if applicable. Your application may be delayed, you may not receive your certificate or ID card, or you may be required to pay additional processing fees if you provide CAMTC with an incorrect mailing address.

If you receive mail at the same address that you provided in Question 3 (where you currently live), check the "Yes" box.

Question 5: Current Work Locations

If you are currently working in the field of massage therapy on paying clients, please provide the requested business information for ALL locations where you currently provide massage therapy services. You must request directly from CAMTC that an official copy of your CAMTC Certificate be provided for display at each place of business where you provide massage for compensation according to CA Business and Professions Code section 4608(a).

Question 6: Previous Work Locations

If you have previously worked in the field of massage therapy on paying clients, please provide the requested information (including start date and end date) here for all the business locations where you have ever previously provided massage to paying clients (and are not currently working at).

You are required to provide information on ALL the business locations where you provided massage for compensation in the last 10 years, regardless of how short of a period you worked there. This question is only asking about business locations where you provided massage for compensation and does NOT include locations where you provided massage on an out-call basis.

Applicant History Section: Question 1

Please select "Yes" if you have ever received an administrative or civil citation, or been denied or been refused the renewal of a license, permit, certificate, or other authorization for a massage therapy business, or to practice massage therapy or any other profession, in any city, state, county or jurisdiction. If you select "Yes," you will need to provide a written statement on a separate piece of paper attached to your application for each and every incident, in order to explain the action taken against you in more detail. Please describe the following in detail for each and every incident:

- The specific action taken against you (for example - did you have a permit revoked, paid a fine, had a state license disciplined, had your application denied, etc.);
- The date of the citation or the date the action against you occurred;
- Identify the agency that took the action against you (city, county, state, etc.);
- The stated reason for the action being taken against you (for example – a massage professional failed to properly cover a client, the business used an un-permitted or un-certified person to provide massage services, etc.); and
- Any other relevant information in your possession.

Please also provide copies of any documentation you have in relation to the action taken against you (for example – copies of administrative citations, judgments, receipts for fines paid, final decision letters from the agency that took action against you, etc.).

Failure to fully disclose requested information is a violation of the law and is considered an attempt to procure a certificate by fraud, misrepresentation, or mistake and is grounds for denial of certification or revocation of certification.

Applicant History Section: Question 2

- Identify the agency that took the action against you (city, county, state, etc.); and
- The stated reason for the action being taken against you (for example – a massage professional failed to properly cover a client, the business used an un-permitted or un-certified person to provide massage services, etc.); and
- Any other relevant information in your possession.

Please also provide copies of any documentation you have in relation to the action taken against you (for example – copies of administrative citations, judgments, receipts for fines paid, final decision letters from the agency that took action against you, etc.).

Failure to fully disclose requested information is a violation of the law and is considered an attempt to procure a certificate by fraud, misrepresentation, or mistake and is grounds for denial of certification or revocation of certification.

Applicant History Section: Question 3
